The law requires such
fee for record and
certificate accompany
the application.

A livestock brand should be easy to read and apply. A complicated or intricate brand will blotch easily or be too large. **Remember simple brands are best.** Once you have submitted your choices for a livestock brand, we will compare them to the brands already recorded. **Oklahoma does not record duplicate or similar brands.** If all of your choices are taken, you will receive notification from the State Brand Registrar.
