TO: Oklahoma Cattle Producers Affected by the 2019 Spring Flooding

FR: Oklahoma Cattlemen's Foundation

RE: Distribution of Donations to the Oklahoma Cattlemen's Foundation

Devastating floods occurred this spring resulting in loss and damage to cattle operations. We know the healing process and recovery will take time. Forage and grasslands will need to regrow, and fence replacement will be an ongoing effort.

The Oklahoma Cattlemen's Foundation (OCF) is ready to distribute the funds received from across the country in support of relief efforts. We have developed a simple application that will help the review committee equitably distribute the funds. The application is enclosed and is also available on the Oklahoma Cattlemen's Association (OCA) website (www.okcattlemen.org).

Documentation should be attached to your completed application such as USDA-FSA Form 578, USDA-FSA program applications, receipts for veterinary care, receipts/estimates for fence repair, receipts for special feed purchase, pictures, etc.

All cattle producers are eligible, and encouraged, to apply. It is important to the contributors that the funds go directly to affected individuals. We ask that applications be returned by August 30, 2019. A review committee, comprised of representatives of OCF, OCA and local beef cattle leaders, will review the applications and distribute the funds in an equitable manner.

Again, we encourage you to complete the enclosed application by August 30, 2019. We are excited to recognize the generosity of our supporters from across the country by distributing these funds. Please encourage your neighbors to apply as well.

If you have any questions or concerns, please contact the OCA office at (405) 235-4391 and request to speak to Taylor Shackelford, OCF Coordinator.

FLOOD RELIEF FUNDS APPLICATION

ALL PRODUCERS ARE ELIGIBLE.

Name: _____
Ranch Name: _____
Address: _____
City: _____ State: _____ Zip Code: _____
Phone Number: _____ Email: _____

Location of flooded area: _____ County
Other: _____

Number of acres flooded in your operation: _____ acres

Did you lose any permanent structures in the flood (buildings, corrals, etc.)? YES NO

Describe: _____

Number of cattle lost due to flood: _____ Cows/Heifers; _____ Calves; _____ Bulls

Did you have to cull cattle because of injuries from the flood? YES NO

How many? _____

Did you have additional veterinary costs because of the flood? YES NO

How much? _____

Did you lose hay supplies to the flood? YES NO

What was the value of the lost hay? \$ _____
